

Projector Project Completed

★ A four-year shared technology project of the Fremont Public School Foundation and the Fremont Public Schools has been completed. Fremont Schools Superintendent, Dr. Steve Sexton, reported that digital projectors have now been purchased for all of the district's 236 core classrooms. Installation of the digital projectors is continuing and should be completed sometime next spring.

The digital projectors are the cornerstone of an upgrade to expand the application of technology for the improvement of student learning and teacher efficiency. The projectors, which allow images from teacher's computers to be projected, have become a standard piece of equipment for classrooms across the country. According to Dr. Sexton, digital projectors open the door for a new generation of educational technology which cannot be accessed without them. He noted that "instructional materials increasingly come with CD-driven programs that require the use of a digital projector in order to deliver the materials to students."

Major outside funding for the project was also provided by the Fremont Community Foundation through a \$100,000 grant to the FPS Foundation, and the Fremont High School Alumni Association with a \$10,000 grant. Local PTA units also pitched in to provide projectors or comparable technology for their buildings. Sexton noted that without the help of the FPS Foundation, this project could not have been completed, and that future help will be necessary to keep the Fremont Public Schools on the cutting edge of the rapidly-changing technology needs of today's schools. Sexton said that providing the same level of technological exposure that students experience in neighboring suburban school districts poses a particular challenge.

According to Dr. David Pinkall, FPS Foundation Executive Director, the Foundation Board of Directors is firmly committed to continuing to raise funds to support the growing technology needs of the District. "We want our Fremont students to be on a level playing field when they compete for college scholarships and jobs against students from other school districts." ★

From the Executive Director's Desk

I hope our readers note the article on page one about the completion of the Digital Projector Project. This story provides another great example of the important role played by the Foundation in helping to keep Fremont Public Schools strong. As this article is being written, students in every school in Fremont are reaping the benefits of this important project. But while projects like this wouldn't take place without the Foundation leading the way, the real heroes in this story are those who donate to the Foundation to make it all possible. The Fremont Public School Foundation Mission is stated clearly on the front page of each edition of Cornerstone. We think it's an important mission, and we know many of our readers think so too. I hope this year you will join the list of those supporting the Foundation. An envelope is enclosed for your convenience, and of course, donations to the Foundation are tax-deductible. Help us as we strive to make the Fremont Public Schools the best they can be! ★

Dr. David Pinkall,
Executive Director

The mission of the Fremont Public School Foundation is to support the Fremont Public Schools by:

- ★ Raising funds to support programs for the enhancement and enrichment of public education, which would not be possible through local tax funds.
- ★ Recognizing excellence in Public Education.
- ★ Enhancing the quality of education for all students.
- ★ Reinforcing positive relations within the community.
- ★ Enriching the quality of life for the Fremont Community.

School Construction Update

Work continues on the construction projects made possible by the passage of the bond issue in March of 2010 and the issuance of Build America Bonds. According to Superintendent Dr. Steve Sexton, all projects are on schedule and within budget. Here is a project by project summary:

Students entering the new addition at Clarmar School on opening day (looking southwest). Howard, Washington and Grant Elementary Schools also received attractive new building entrances like the one pictured at Clarmar.

Clarmar School: The project was completed for the opening of the school year. Improvements included the construction of an addition which includes a new entry and service drive, two classrooms, administrative offices and multipurpose room. The existing computer lab was remodeled, and a sprinkler system was added to the existing building.

Elementary Entrance Improvements: Projects have been completed on schedule and are in use at Grant, Howard, and Washington Schools. ★

Annual Campaign Underway – Local Banks Lead the Way

The Annual Sustaining Fund Campaign of the Fremont Public School Foundation is currently underway. According to Board President, Jane Dugan, donations to the annual campaign are important because they enable the operation of the office, including the publication of Cornerstone, to continue. "The publication of Cornerstone is the single largest recurring cost for the Foundation Office, and we think it's important for alumni to receive Cornerstone regularly."

Three of Fremont's major banks - First State Bank, Fremont National Bank and Pinnacle Bank - have already demonstrated support for the Foundation by pledging Patron level donations to the annual campaign.

Foundation Executive Director, Dr. David Pinkall, noted that donations to the Foundation are tax-deductible, so those wishing a tax deduction for 2011 have a few weeks left to act. A handy gift envelope is enclosed in this publication. ★

Great Day for a Great Cause

The annual Fremont Public School Foundation Golf Tourney was played on July 29th in nearly perfect weather conditions for the third year in a row. Teams of FPS supporters representing FPS alums, parents, faculty, and businesses enjoyed the great day and the opportunity to play on the pristine Fremont Golf Club course. Tourney winners were representative of the wide variety of FPS supporters who enjoyed the day and helped raise funds in support of the FPS Foundation. A foursome made of FPS teachers, sponsored by First State Bank, took top honors in the first flight. Second flight winners were FHS alums from various generations, and third flight winners were a group of Fremont businessmen, sponsored by CSI South Side Press, the good people who print this newsletter.

One of many sponsors, Fremont National Bank provided brats and hot dogs at the #9 tee box.

Fremont School Board members Bob Barnes and Grady Wells discuss strategy with FHS Booster Club volunteer Mike Funk.

The date for the 2012 FPS Foundation Golf Tourney has been set for July 27th. We hope you'll make this the year you join in the fun for a great cause! ★

Foundation Supports Many FPS Programs

Much has been written in Cornerstone about major projects undertaken by the FPS Foundation in its 8-year history. Projects such as the Nell McPherson Theatre Renovation, the purchase of automatic external defibrillators, and the purchase of digital projectors have been well-documented. Less is known about how the Foundation provides an avenue for private support of a variety of programs within the Fremont Public Schools. Below is a listing of a few of the programs that have restricted flow-through accounts in the Foundation, and into which private contributions are made regularly:

- Elementary school accounts are provided for most of the Fremont's Elementary Schools. These accounts allow the schools to utilize the tax-exempt status of the Foundation to raise private funds for special projects. Several schools have purchased special playground equipment through such accounts with the Foundation.
- The elementary counseling department maintains a fund for special training and materials for the counselors. The fund is supported through private donations.
- Special projects for the Bahe gymnasium are funded through an account supported by advertising in the gym. Scoreboards and wrestling mats have been purchased through this account without the use of tax dollars.
- The High School speech and debate department has utilized an account with the Foundation to provide private funding to support the debate program.
- The Vocal Music Booster Club has an account with the Foundation. Donations are received regularly, and the proceeds are used to provide private support of activities such as the spring musical, and to purchase special equipment such as risers and acoustical shells.

The use of these flow-through accounts, and others like them, is a good example of one more way in which the FPS Foundation helps match donors with specific needs within the Fremont Public Schools. ★

We lost several of our teachers this year who were impacted many lives over the years that they taught at Fremont Public Schools. Pearl Schultz, she taught many of us music, and John McMullen, wrestling coach and Biology teacher.

Pearl Schultz

Pearl M. Schultz, 96, of Fremont died Monday, July 25, 2011, at Fremont Area Medical Center.

Pearl was born at Cortland on March 20, 1915, to Paul and Anna (During) Schultz. She graduated from Cortland High School in 1931 and continued her education at Nebraska Wesleyan University in Lincoln, earning a bachelor of fine arts degree. Graduate work was done at the University of Nebraska, the University of Colorado at Boulder and Denver University. She earned a master of music degree from Northwestern University at Evanston, Ill.

She was a career teacher, having taught in the public schools at District 4 in Gage County, and also in Campbell, Tekamah, Columbus and Fremont.

After retiring, she did volunteer work for Meals on Wheels, the Low Income Ministry, and for 19 years was a docent at the Dodge County Museum. Since 1988, she tutored Spanish speaking adults in English.

She was a member of First United Methodist Church in Fremont, having joined the Cortland Methodist Church in 1923. She was also a member of the United Methodist Women and the Mary Circle. And she was a member of Delta Kappa Gamma, the Fremont Area Retired School Personnel, and for more than 50 years a member of Venus Chapter 49 Order of Eastern Star of Cortland.

She is survived by: a sister, Lillian Schultz of Fremont; a niece, Jeannene Douglass of Lincoln; a nephew, Dr. Rod Douglass (and wife, Eileen) of Los Alamos, N.M.; a grand niece, Megan Douglass of Lincoln; and a grandnephew, Brian Douglass (and wife, Ashley) of Albuquerque, N.M.

John Charles McMullen

John Charles McMullen, 76, of Fremont died Friday, Oct. 28, 2011, at A.J. Merrick Manor in Fremont.

John was born Jan. 27, 1935, in Chicago to John P. and Florence (Andres) McMullen. He graduated from Parker High School in Chicago in 1952 and from Peru State College in Nebraska in 1956. He received his master of arts degree in 1960 from the University of Nebraska-Lincoln. John taught biology and psychology at Fremont High School for 39 years. He coached football, track and field and wrestling for many of those years while at Fremont High School. He was also an adjunct instructor at Clarkson College in Omaha for three years and at Wayne State College in Wayne for many years.

John married Lois Puppe on Aug. 26, 1956, in Nebraska City. He was a member of First Congregational Church, UCC, in Fremont where he served on several boards, taught church school and mentored confirmation.

Some of his professional honors include: induction in the Nebraska State Wrestling Coaches Association Hall of Fame in 1983; Outstanding Service Award in Wrestling from the Nebraska School Activities Association in 1998; the Christa McAuliffe Special Recognition Prize in Education from the University of Nebraska-Lincoln; and induction to the Fremont Athletic Hall of Fame in 2003.

Survivors include: his wife, Lois; son, Mike (and wife, Katie) McMullen of Houston; daughter, Janet (and husband, Paul)

Schorfheide of Lincoln; grandchildren, Ivy and Maya McMullen and Matt Schorfheide; sister-in-law, Margaret Richards of Lincoln; nephews and nieces and great-nephews and great-nieces.

He was preceded in death by his parents, John P. and Florence McMullen; mother and father-in-law, Gus and Marie Puppe; sister-in-law and brothers-in-law, Marilyn and Dean Stauffer and John Richards.

We have had a nice response from our alumni wanting to share items with all of us.

Joan Spangler Bancel, Sun City Center, FL
Dear Alumnus,

At age 91, I am finally thoroughly cleaning my files. I found the enclosed listing of our football team of 1933. As a member of the girls Pep Club, whose duty it was to sell season tickets to downtown merchants, we also sat in a group to cheer. This was the beginning efforts to have night games in hoping to get some revenue for uniforms.

The band wore cotton sweatshirts with a large F on the front. White in the spring and black in the fall. The girls pep club wore black jumpers with orange organdy blouses with a bow in front. We were as proud of our team as the best, and the band. Uniforms were not necessary to the school board during the severe financial depression.

Cooking classes were cancelled as they were fueled by gas which was stopped. In spite of severe faculty limitations, were able to have The Pirates of Pensance performed. Our music teacher, Hugh Rangerler, after presenting such an ambitious and successful performance, was then hired by Lincoln. It was a blow to all music students but we understood. He had taught the second semester with no pay. He had a very successful career in Lincoln and was equally admired there.

The big wide steps from the front door of the high school were suddenly divided by a double railing from the front door up to the second floor. It was a short time before Ray Hammond and Bill Cheney discovered it was a perfect slide. One only had to have somebody to hold the big front doors open as you ended your slide running full speed. One afternoon at 3:20, my mother had to pick me up at school. As she waited she saw the front doors open and Ray and Bill, then the Hammond twins, and then her daughter exit running at full speed. She was amazed. Needless to say it was only a few weeks before the principal was alerted and the fun was stopped. It still was possible on occasion if you had the cooperation from friends who alerted you to the fact nobody was watching.

The numbers opposite the boys names on the squad indicate their weight. As I recall only Ed Tracy was 6 ft tall and no one weighed 200 lbs. Girls were equally small. Compared to our grandparents we were big. My conclusion is "Bigger is not necessarily Better!"

I would be remiss if I did not mention our two class sponsors. Miss Francis Hanlon, tiny, delightful, and only a few years out of college, and Mr. Hamilton Mitten, our history teacher and asst. coach. Miss Hanlon taught English and Shakespeare and poetry. Miss Harris, our Latin teacher, was also a favorite and they came to our 25th

I truly enjoyed the report of a later class and I hope you enjoy this brief summary from the Class of 34.

Sincerely, Joan Spangler Bancel, V.P. '34

P.S. Our newspaper contained the following from the humour column. We thought it was hilarious. Mizen Rose sat on a tack. Mizen Rose. Orginial hai-kai but Miss Hanlon hadn't reached that in poetry class, so Peggy Horley Morris and I didn't realize what we had created!

Class of 1935

There aren't many of my graduates left. I am now 93 and will be 94 on Sept 17th. My wife, Glennice, 88 and I live in a duplex owned by my daughter Judy Gitt and Larry. They live in the other half. We both like sports and follow the FHS Tigers all the time.

I served in Army Engineers from March 22, 1942 thru May of 1947. When I returned home from Europe, I resumed as a carpenter foreman on rebuilding Hormel. In 1950, my father & I built homes until 1965. I then joined Nebraska Savings & Loan with Hamilton Mittan as President doing appraisals and loans. On April 1, 1964, I retired.

My service was spent 10 months in England and 10 months in France. I was commissioned as Lieutenant 1943 and when I was discharged I was promoted to a Major.

We enjoy reading about all the building on the schools.

Just a brief not to let all of you know that I vividly remember good ol' Fremont High and miss everyone up there very much.

Since graduation, I have been blessed in many ways, and especially musically in particular. I have been fortunate to successfully auditioned and performed on piano with the Carnival Cruise Ship organization (twice) and most recently auditioned with the Norwegian Cruise Lines and performed in one of their prestigious shows. I also play for a theatrical group in Fort Worth. Health wise, I am good and enjoy county & state park hiking, I manage to walk 40+ miles a month. Not too bad for an older 81 years senior adult. Sadly, I confess, I was married to Lauralee Garfield, who died of pancreatic cancer, a couple of years ago. Sadly, I was not married to her, but the loss is very personal. With this, I say farewell for now, but am looking forward to coming back to Fremont for a visit, soon I hope. May God Bless you all in every way.

Sincerely, Richard Kruse, 815 Vail Dr. Arlington, TX

Class of 1956

Greetings: Enclosed please find a check from the Class of 1956 to be used for the scholarships. We would like to honor all the Class of 1956 with this gift.

Sincerely, Peggy L. Hansen

Thank you **Class of 1956** for your generous donation. Fremont Alumni Association.
