The mission of the  
Fremont Public School  
Foundation is to  
support the Fremont  
Public Schools by:

★ Raising funds to  
support programs for  
the enhancement and  
enrichment of public  
education, which would  
not be possible through  
local tax funds.

★ Recognizing excellence  
in Public Education.

★ Enhancing the quality  
of education for  
all students.

★ Reinforcing positive  
relations within  
the community.

★ Enriching the quality  
of life for the Fremont  
Community.

**T**his will be the last edition of the Cornerstone that will be mailed to every alumnus on the mailing list.

Since 2006, printed copies of the Cornerstone have been mailed twice a year to all of the 10,000 plus living graduates of Fremont High School. Because the Foundation was a new kid on the block, it was the best way to acquaint alums with this new organization, which has since become such an important player in the life of the Fremont Public Schools. The Foundation Board wanted to ensure that all Fremont Public School alumni and supporters were aware that the Foundation provided an avenue through which private support could flow to the Fremont Public Schools. Tax deductible donations have become essential in helping to keep the Fremont Public Schools strong as the Fremont school system has become more and more aligned with, and compared to affluent suburban Omaha Schools.

It has become obvious that the successful organizations of today are making use of digital avenues to reach their constituents. It is particularly important for the Foundation to move in this direction as a means of helping the current classes of graduating seniors to remain connected with their school system. As one of our Board members put it when talking about her children, recent FHS graduates, "if they can't read it on their laptop or cell phone, they probably won't read

it!" Add to this the fact that the per copy cost of printing and mailing have risen to over a dollar for each Cornerstone mailed out, and the time has come to re-evaluate whether the funds being spent to mail out the Cornerstone could be better used to support the primary mission of Foundation, which is to provide support for the Fremont Public Schools. With the ability to digitally make the Cornerstone available to anyone with a computer or smartphone, the obvious answer is "yes".

**PRINTED COPIES OF CORNERSTONE, INCLUDING TIGER TRACKS, WILL BE AVAILABLE ON REQUEST!**

*For those who wish to continue to receive a printed copy in the mail,* send your written request to the Foundation Office in the gift envelope which is included in this edition of the Cornerstone, and we will continue to mail your printed copy of the Cornerstone to you. Just include a written note that says "please continue to send my Cornerstone in the mail"

*For those who wish to receive the Cornerstone digitally,* please use the enclosed gift envelope to send us your email address, or even better yet, just send us an email at [foundation@fpsmail.org](mailto:foundation@fpsmail.org), and we will inform you by email when the Cornerstone is available for download. There is already a place on the inside of the envelope flap where you can provide your email address. ★

## Foundation Launches Interactive Website

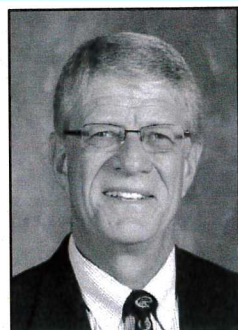

**T**he FPS foundation has a new web address, new look, and new functions. The website, formerly hosted on the Fremont Public School website, is now located at [FPSfoundation.com](http://FPSfoundation.com). It provides a more complete picture of the Foundation, as well as an expanded menu of services including:

- An overview of Foundation purposes and activities
- A listing of ongoing Foundation projects, and information about each, including a downloadable application form for Creative Teaching Grants
- A link which allows supporters to make on-line donations to the Foundation
- A listing and contact information for Foundation Board members
- Archived copies of all editions of the Cornerstone, which can be downloaded and printed

The new on-line service is being provided to make it easier for FPS supporters to access more complete information about the Foundation and its projects, and to eliminate the rising expenses of printing and mailing over 10,000 copies of the Cornerstone two times a year. It also opens the door for other on-line services which could not be provided on the FPS website, but can be provided on the new one. Watch for announcements on the website and in future editions of the Cornerstone.

The website can be accessed at [FPSfoundation.com](http://FPSfoundation.com), or through a link on the Fremont Public Schools home page at [FPSweb.org](http://FPSweb.org). ★

## From the Executive Director's Desk

Dr. David Pinkall,  
Executive Director

**F**irst, I want to be sure to reiterate to those readers who are not computer-literate, that we will continue to send a printed copy of Cornerstone with the Tiger Tracks insert to any of our readers who request it. The fact is that we have been mailing over 10,000 copies of Cornerstone two time per year at over \$1.00 per copy (you can do the math), with no way of knowing how many are actually reaching the intended recipient. By going digital and mailing printed copies only to those who request it, we anticipate cutting seventy five percent of our costs, while actually making the Cornerstone easily accessible to the bulk of our readers. *That translates into a lot of additional iPads that we can put into our student's hands (or whatever our current project happens to be).* Thank you for your understanding!

In this addition of Cornerstone we've included the fundraising letter from our Annual Campaign Chairperson, Lori Sajevic, and our Board Chairperson, Jennifer Peterson. They are terrific workers for the Foundation and for the students of (From the Executive, continued on page 2)

Fremont. The new wrinkle this year for our readers is the opportunity to make a donation to the Foundation on-line through our new, interactive website. For those of you who find that a convenient way to do business, we encourage you to utilize this new service. Here's a friendly reminder, that the Foundation receives no tax support, and is entirely dependent on donations in order to continue its important work. A donation to the Foundation is like planting a tree that will provide shade for future generations. It's a vote for the future of our children, our school system, our community and our country.

Finally, the death of Marion Iversen, a long time FPS administrator needs to be noted here because of the enormous impact she had on the Fremont Public Schools and its elementary students. As the Director of Elementary Education and subsequently Assistant Superintendent, she was the overseer of all elementary schools and the programs contained therein. While her position was not as public as some, her impact was huge, and thousands of elementary children enjoyed a safe, well-organized K-6 education because of her leadership. ★

## Fremont Public Schools Receives School Climate Transformation Grant

Fremont Public Schools is among more than 100 school districts nationwide that will benefit from an investment from the U.S. Department of Education to improve school climate and keep students safe.

Fremont Public Schools received a \$750,000 School Climate Transformation grant from the U.S. Department of Education. The grant will provide "\$750,000 per year for the next five years, for a total of \$3.75 million over the life of the grant.

Fremont Public Schools Superintendent Mark Shepard said the district wrote the grant based on a program it started to implement about two years ago. The grant funds will be used to fully implement Positive Behavior Intervention and Supports (PBIS) in kindergarten through 12th grade.

"We're really excited about the opportunity that being awarded this grant is going to provide us with," said Shepard. The development of proficiency in appropriate social skills and behaviors is one of the goals of the Fremont Board of Education. The PBIS program is part of the board's action plan to reach that goal. Shepard said the PBIS program will be implemented in stages, beginning with kindergarten through fourth grade in the first two years of the grant, followed by grades 5 to 8 and finally 9 through 12.

"For our district, where we've already started the process of implementing PBIS, this gives us a huge shot in the arm to really move toward full implementation," Shepard said. "We feel very fortunate we're one of three school districts in the state to receive this grant this year.

"It gives us an opportunity to have the funding available to fully implement a program that we've already started to implement, and really implement it to a level where it could make a difference," he added. "Oftentimes you receive grants and it requires you to do something beyond what you are already doing, or change directions, change focus. I think the great thing about this grant, it ties right in to the direction we're already going."

The School Climate Transformation grants are a part of the "Now is the Time" initiative, which is a comprehensive plan to make schools safer, reduce gun violence by keeping guns out of the hands of dangerous people and increasing mental health services, according to a U.S. Department of Education news release. ★

## FHS Girl's Basketball Team Headed for Arizona

The Fremont High Girl's basketball team is headed for the Nike Tournament of Champions in Phoenix Arizona. The Tigers were invited to participate in the elite tournament based on the strength of players returning from last year's 22-4 campaign as well as promising newcomers.

The Tiger's starting lineup will include the third-ranked prep player in the nation (Nebraska recruit Jessica Shepard), Northwest Missouri State recruit Ashley Nelson and University of Nebraska at Omaha volleyball recruit Gessica Gdowski. Point guard Rylie Cascio Jensen is receiving NCAA Division I interest while fellow junior Meghan Luper is a letter-winner in basketball and golf.

The cost of the trip, which will take place during the Christmas break, will be covered entirely from donations gathered from private citizens and businesses in the Fremont area. This represents a first for a Fremont team. The FPS Foundation served as the repository for the tax deductible donations, which came from over 150 Fremont Public School supporters. ★

## Moran Appointed to Foundation Board

Fremont Public Schools Board of Education member, Dan Moran, has been appointed to serve as the School Board's representative on the FPS Foundation Board. Sandy McDuffee, a twenty year member of the Board of Education, has been the school board representative on the Foundation Board since its founding. She recently retired from the School Board and the foundation board, creating the need for a replacement. Foundation bylaws require that a school board member will always be on the board of the Foundation. While a member of the Foundation Board, McDuffee has served as the Foundation Treasurer.

At the December Foundation Board meeting, the Board accepted her resignation with regret, and applauded her years of service to the Fremont Public Schools. Butch McDuffee was elected to assume the role of treasurer.

Moran, who has served on the school board since 2001, commented on his appointment to the Foundation Board. "I've watched the Foundation from its start up to today, where it has developed into a major contributor in supporting the children in our district get the best education they can. It has been exciting! Now as a board member, I hope I can contribute to continuing to grow the benefits it brings to the school district."

Welcome to Dan! ★

## Marion Iversen, Long Time Fremont Administrator Dies at 94

Marion Iversen, who served as a Fremont teacher and administrator from 1946 to 1989, died on Thanksgiving Day at the age of 94. She began her career in Fremont as a teacher at Washington School in 1946, became Principal of Washington School in 1949, became the Director of Elementary Education in 1965, and Assistant Superintendent in 1975. During her tenure directing Fremont's Elementary Schools, over 7,000 elementary children passed through those halls. She was known to teachers and administrators who worked under her as a strong, compassionate leader. Following her retirement in 1989 she remained active in a number of community activities including Altrusa, Delta Kappa Gamma, Memorial Hospital Auxiliary, Dodge County Historical Society, the Board of the Fremont Area Community Foundation, and the Board of the Fremont Salvation Army. ★

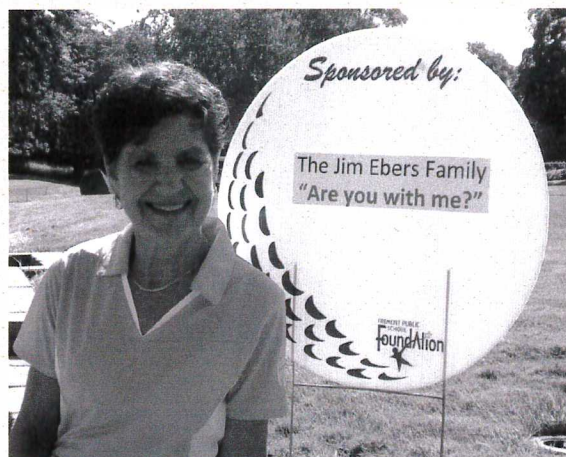

## Jim Ebers Golf Classis is a Hit

The name change of the annual Foundation Golf Tournament to the "Jim Ebers Golf Classic" was a hit with Foundation supporters, who fondly recalled the tireless energy Jim gave to the Foundation, as well as other important community endeavors he supported. Over 20 foursomes signed up to play a round of golf at the annual event on July 30<sup>th</sup>. The weather cooperated with a beautiful summer day, and participants enjoyed the camaraderie, and paid tribute to a great Fremont leader and enthusiastic supporter of the Fremont Public Schools.

This year's first flight winners were a team comprised of Steve Tellatin, Scott Dienes, Josh Evert and Bill Rohren. The date for next year's outing is scheduled for July 31, 2015 at the beautiful Fremont Golf Club. It's not too early to start thinking about your team! Watch for sign-up information on the Foundation Website at [FPSfoundation.com](http://FPSfoundation.com). ★

Dear Friend of the Fremont Public Schools,

When school opened in Fremont this fall, students in all of the seven public elementary schools had access to iPad technology as a result of the **i Give for iPads** project recently completed by the Fremont Public School Foundation. The Foundation raised over a quarter million dollars for the project, designed to insure that Fremont students have access to the same levels of technology as students from other districts.

Since its inception in 2003, the Foundation has been the driving force in procuring well over one million dollars worth of private funding for the Fremont Public Schools. Major projects include:

- Renovation of the Nell McPherson Theater at the High School
- Placement of automated external defibrillators in all schools
- Purchase of summer school materials for elementary students
- Awarding Creative Teaching Grants each year to teachers across the District
- Academic recognition for top graduating seniors from Fremont High School
- Purchase and installation of digital projectors in all core classrooms

All this has been accomplished in partnership with individuals and businesses who believe in the importance of building and maintaining a highly competitive public school system in Fremont.

**As a friend of the Fremont Public Schools, we are asking you to participate in the Annual Sustaining Fund Campaign of the Foundation, which makes it possible for this important work to continue.** Gifts to the Foundation are tax deductible, and will be acknowledged in the Cornerstone, the official publication of the Foundation. Three major Fremont Banks: First State Bank and Trust, First National Bank of Fremont, and Pinnacle Bank have already made major gifts in recognition of the importance of continuing this work. The giving categories are:

\$5,000 Cornerstone	\$500 Benefactor	\$50 Tiger
\$2,500 Pathfinder	\$250 Investor	Other Black and Gold
\$1,000 Patron	\$100 Friend	

Your favorable response to this appeal will be greatly appreciated. Donations can be mailed to the Foundation Office, or made online through the Foundation website at [FPSfoundation.com](http://FPSfoundation.com).

Sincerely,

Lori Sajevec

## News

Dear Alumni,

When sending in your dues or donations, please put **THE YEAR** you graduated and ladies, please put **YOUR MAIDEN NAME** on the form also. It will help us greatly to make sure we are crediting the right people for their dues and donations. We also appreciate your email address and phone number. This will help class reunion planners contact you.

Thank you all for your continued support.  
The Fremont Public Schools Alumni Association 🐾

We are asking all of our alumni to please help us make sure our records are accurate. If you have recently had a class reunion and have an up to date class list, please either email it to me or send it to me in the mail. My email is [vbaderdunn@hotmail.com](mailto:vbaderdunn@hotmail.com) or my address is 1129 Somers Point Dr., Fremont, NE 68025. We also need a list of your deceased classmates. We greatly appreciate any help we can get. 🐾

If your class has a web page or facebook page, let us know that information so we can publish it here. Then maybe you can have more contact with each other than just every ten years. 🐾

If anyone has any news they wish to share with the alumni, please send it to Virginia Bader-Dunn at [vbaderdunn@hotmail.com](mailto:vbaderdunn@hotmail.com) or 1129 Somers Point Dr, Fremont, NE 68026. 🐾

**CLASS OF 64** has a facebook page search for fhs SixtyFour. We have over 90 members and are hoping more will join us. I am sure there are more classes out there who have these also. 🐾

We would love to hear from the alumni any stories they would like to share about their years at good old FHS or about a favorite teacher or accomplishments that they have made in their lives. I know I enjoy reading things about FHS and the alumni and I am sure many of you out there would too. So get your thinking caps and send us your news. 🐾

Dear Tigers,

We hope you like this issue of the Tiger Tracks Newsletter. Let us know if you have any suggestions to help make it more enjoyable or entertaining. We are always looking for story ideas, articles pertaining to alumni and teachers, and e-mail addresses.

The Alumni Association also assists each class by making available its address list for each class. Address lists may be purchased or pre-printed address labels are available at a nominal fee. **Please contact Virginia (Bader) Dunn 402-720-4692 or vbaderdunn@hotmail.com or 1129 Somers Point Dr, Fremont, NE 68026**
