The mission of the Fremont Public School Foundation is to support the Fremont Public Schools by:

★ Raising funds to support programs for the enhancement and enrichment of public education, which would not be possible through local tax funds.

★ Recognizing excellence in Public Education.

★ Enhancing the quality of education for all students.

★ Reinforcing positive relations within the community.

★ Enriching the quality of life for the Fremont Community.

## 18<sup>th</sup> Annual "Jim Ebers Golf Classic" Monday, July 12 at the Fremont Golf Club (12:00 PM check in, 1 PM shotgun start)

Eight years ago, the Foundation Golf Tournament name was changed to the "Jim Ebers Golf Classic" in honor of long-time and enthusiastic Fremont Public School advocate, Jim Ebers. As a member of the Foundation Board, Jim always supported and played in the event, even in his years of declining health. The renaming of the event was intended to provide a lasting tribute to Jim, who also loved the game of golf.

So get your team together and send in a registration by July 5<sup>th</sup>! Come join us for a great day and a great cause! What do you say . . .

**"Are you with me?"**

For an entry form go to [Jim Ebers Golf Classic Registration](#) or contact Kevin Eairleywine at 402-727-3027. ★

## A Note from the Executive Director!

**Kevin Eairleywine**  
Executive Director

With my first Cornerstone article, let me begin by saying that I am both thrilled and humbled to have been offered the opportunity to serve as Executive Director of the Fremont Public Schools Foundation! While I will still be maintaining my regular position for the Fremont Public Schools (Executive Director of Human Resources and Elementary Operations) this additional challenge provides me with the chance to interact with others in new and exciting ways.

Throughout these first six months in my new position, I've certainly been learning a lot! The ins and outs of managing a 501(c)(3), how to "make the ask" for donations and sponsorships -- I'm even learning a little about running a golf tournament! I could not have kept my head above water during this time without the help of Joyce Shellgren, who works as our part time Office Associate. Joyce is the person that keeps the business and communications side of our office running smoothly.

I feel it is also very appropriate to give a huge shout out to Joe Sajevec who retired as the Foundation's Executive Director in January after five years of stellar service and commitment to the Foundation! He did a tremendous job following Dave Pinkall, the Foundation's first Executive Director, and helped expand our impact and influence throughout the Fremont community. It is important to note that both of these gentlemen continue to provide assistance and I'm not embarrassed to say that I lean on them from time to time! I cannot tell you how much it means to me having them available for advice.

I never miss a chance to point out that the FPS Foundation is very fortunate to be led by a tremendous Board of Directors. Their enthusiasm, commitment, and dedication to the work of your Foundation is what makes it successful! I'm certain that you also can recognize these Directors as leaders in many other areas of our community as well.

As you read through the rest of the Cornerstone, I hope that you will see some things of interest that might prompt you to make contact with us to ask questions, make suggestions, or make a donation to help improve the educational opportunities within Fremont Public Schools! ★

# THE FREMONT AREA BIG GIVE

"May the 4<sup>th</sup> be with you!" was the catch phrase heard all around the Fremont community earlier this Spring as 70+ area non-profits took part in the 5<sup>th</sup> annual Fremont Area Big Give! 2021 was a record-breaking year as more than \$415,000 was raised from over 2,000 individual donations – proving once again that Fremont is

a very caring and generous community!

The Fremont Public School Foundation was an active participant again this year and we are proud to have received almost \$13,000 from 123 individual donors! The Foundation won an extra \$1,000 for having the most "Prescheduled Gifts" (those donations given prior to the start of the actual "Big Give" campaign at 12:01 AM on the 4<sup>th</sup>).

These generous donations will be placed into the "Dual Credit Assistance" fund at the FPS Foundation, which helps students take Dual Credit classes through Metro, Midland, or other post-secondary institutions. With the amount raised, we should be able to assist quite a few students next year!! ★

- 2) Why did the melons have a big wedding?
- 3) In what year did the current Fremont High School open?
- 4) Where was Fremont High School located before it moved to its current location?

## In Honor of Dan Moran

Dan Moran served as the representative of the FPS Board of Education on the Fremont Public School Foundation Board since 2015 where his many strengths enhanced the mission of the Foundation. Dan used his analytical thinking skills in combination with his love of Fremont Public Schools to bring a unique perspective to discussions and decisions of the Foundation Board.

Joe Sajevec, recently retired Executive Director of the FPS Foundation said, "Dan had a keen sense for business decisions, as well as asking great questions to clarify an issue. He always had the best for students and staff at the forefront of the Foundation's purpose."

Mark Shepard, Superintendent of Schools, shared that Dan had a deep commitment to the Fremont community. "His wisdom, his leadership and commitment will definitely be missed."

Dan passed away in the arms of his wife Heidi and surrounded by his family on April 18. The entire Fremont Public School Foundation Board extends our thoughts and prayers to Dan's family. ★

## A History of Helping Deserving Students

This year marks the 22<sup>nd</sup> year that the Alumni Student Aid Fund has provided financial assistance to deserving Fremont High School Graduates. Originally established by Fremont High School alumni from the class of 1948, and headed up for many years by David Christensen, the Alumni Student Aid Fund continues to make it possible for qualified Fremont High School graduates to pursue higher education having awarded approximately \$90,000 since its inception.

This year the Fund awarded a total of \$3,500 in scholarships to Annie Cooper, a 2019 graduate, and Shane Miller, a 2021 graduate.

The program funds are now managed by the Fremont Area Community Foundation, and gifts to the program can be made directly to the Community Foundation or to the Fremont Public School Foundation which forwards all scholarship donations to the Community Foundation. Those wishing to donate to the scholarship program can use the enclosed gift envelope, and designate the portion of the gift they wish to be placed in the scholarship fund. ★

## We Need Your Email Addresses!

As we attempt to increase our communication with everyone, it has become glaringly apparent we are lacking email addresses to complete our database of alumni and supporters.

Please take a moment and send an email to either [foundation@fpsmail.org](mailto:foundation@fpsmail.org) or [Kevin.Eairleywine@fpsmail.org](mailto:Kevin.Eairleywine@fpsmail.org) so we can keep you in the loop! ★

## Fremont Public School Foundation Honors 2021 High Achievers

On Sunday, April 18, The Fremont Public Schools Foundation honored 54 students who would be graduating with a 3.75 GPA or higher, and who have completed the most academically rigorous curriculum the Fremont Public Schools have to offer.

Historically, the Foundation hosts an Academic Achievement Awards Banquet, but that event was cancelled due to COVID restrictions. The Foundation Board felt it was important to do something to honor these students, so a special celebration was held at the FHS Nell McPherson Theatre. During the celebration, and along with their family and special guests, the students were individually recognized and presented with a gift from the FPS Foundation. The Foundation Board also felt it was important to honor the FPS educators identified by these students as "Mentors". Each Mentor received a gift and special recognition as well. ★

Students honored include:

## Fremont Public Schools Foundation Awards Creative Teaching Grants for 2021

The FPS Foundation once again honored creative teaching and innovative strategies of faculty members in the district by awarding over \$1,100 in funds for Creative Teaching Grants. Even though COVID reduced the number, several staff applied and the grants were distributed to 3 teachers representing different FPS programming throughout the system.

**The Creative Teaching Grant Program**, initiated in 2009-10, annually makes grants to allow teachers to create, design, or implement programs that promote student achievement, enhance the learning environment, or provide opportunities beyond the traditional classroom setting. The grant money may be applied to materials, training, equipment or special programs. With this year's grants, over \$61,000 has been directed back to classrooms and educators.

**Ashley Mruz, 1<sup>st</sup> Grade teacher at Bell Field Elementary**, requested and received monies to purchase sets of books of the same title from Scholastic meeting the various literary needs of her students. Students will then sign up to read a book that interests them along with 3 to 5 of their classmates. Once they all finished the book, the entire group gets to have lunch with Mrs. Mruz and visit about the book they read.

This is a great way to build relationships and also expose children to different authors and topics.

**Darcy Johnson, K-4 Special Education Teacher at Milliken Park Elementary**, made a request to purchase Osmo Kits for use with the iPads in her classroom. These award winning kits provide students with fun interactive game activities that are highly engaging while focusing on learning concepts important to the growth of her students. Students use the Osmo Kits for independent work time to enhance and support

the direct instruction they receive throughout the day in areas such as Math and Reading.

**Dana Fontaine, Media Specialist at Fremont High School**, is using the monies she was awarded to purchase a 3D printer for the FHS Media Center's expanded makerspace! Classroom teachers collaborate with Mrs. Fontaine for class projects such as furniture making to scale in Family and Consumer Science. Individual students can also work with this exciting resource under staff direction to use

their creative talents to make nameplates for their lockers or to replace missing game pieces.

As always, the FPS Foundation is proud of the quality of our teaching staff and their commitment to professional development, creativity and innovation, and the focus on improving student performance. The Foundation Board thanks everyone who remembers the Foundation with their memorial gifts so that we can continue to fund these grant programs. ★

### Summer 2021 Tiger Tracks

Greetings to you from Beth Scott Svatora:

As I write this newsletter we are expected to reach the record high of 100 that was set back in 1918! Summer has arrived!

I located some old Tiger Tracks and in one of them was Purposes and Goals I thought I would share this with you as I feel these are still valid today:

Beth Svatora

- To research, organize and maintain an Alumni Association list and maintain updated information (classreport.org).
- To bring together long-lost friends and help start new friendships, to rekindle old memories, reminisce about the days at Fremont High and possibly help each other for business purposes.
- To get graduates back in touch with their school to increase their loyalty, interest, and involvement in current and future programs at Fremont High.
- To encourage and promote volunteerism and get more graduates involved. The contribution of an individual's personal time and effort is a priceless ingredient for successful special events and fund-raisers.
- To keep graduates active in the Fremont community and school system.
- To promote Fremont for industrial development and attract tourism by mailing newsletters and keeping contacts with alumni who are located all over the world.

If you haven't already, please join the FHS alumni Facebook page: Fremont High School Alumni – NE, you can also contact me by emailing [fhsnealum@gmail.com](mailto:fhsnealum@gmail.com)

With your help, I look forward to revitalizing the FHS Alumni, Beth Scott Svatora ('84) 🐾

I am asking all of our alumni to please help us make sure our records are correct, I have added many class rosters to classreport.org, I need you to add or update your demographics to help your class plan your reunions and keep track of classmates. Several classes already have an Admin., but there are many that do not, if you are interested in being an admin or a co-admin please go to classreport.org and add yourself for your class. Also, if you choose to be an Admin for your class please contact me so I can add you to the class contacts published in Tiger Tracks.

[fhsnealum@gmail.com](mailto:fhsnealum@gmail.com) 🐾

*What is classreport.org? -- Classreport is for all Alumni it is a dynamic database where classmates can add their own demographics, view located, missing or deceased classmates.*

*For admins/committees it can be used to help plan class reunions and keep track of classmates contact information. There are several reports that can be ran which include: missing (no contact info), located, and deceased classmates. There is the capability to print mailing labels, name badges and memory books to name a few. Once all classmates have been added it is great to have each classmate keep their own contact information up to date.*

*My committee uses this to plan our class reunions and we love it. 🐾*

**Alumni will be walking in John C Fremont Days Parade July 11, 2021, we would like to have about 20-25 people from different classes represented, if you are interested please contact me at [fhsnealum@gmail.com](mailto:fhsnealum@gmail.com) 🐾**
