The mission of the
Fremont Public School
Foundation is to
support the Fremont
Public Schools by:

★ Raising funds to
support programs for
the enhancement and
enrichment of public
education, which would
not be possible through
local tax funds.

★ Recognizing excellence
in Public Education.

★ Enhancing the quality
of education for
all students.

★ Reinforcing positive
relations within
the community.

★ Enriching the quality
of life for the Fremont
Community.

Executive Director

A Note from the Executive Director!

Can you believe it - we are already half way through 2022! Since January, your Fremont Public Schools Foundation has been very busy!

With our first Board of Directors Meeting in January, we welcomed new officers and Directors:

President, Gary Bolton

Secretary, Maggie Peters

Vice President, Christy Fiala

Treasurer, Alma Rosales

New Directors: Gordon Lowe, Todd Seawall, and Mike Sindelar.

Gordon, Todd, and Mike joined a very enthusiastically committed Board of Directors, who take our Mission very seriously! They are a true "working Board" who roll up their sleeves and get the job done for your Foundation, staff, and students!

Some of the Board's accomplishments include awarding nearly \$7,000 in Creative Teaching Grants and over \$5,000 in Dual Credit Tuition Assistance Scholarships. The Directors also honored 46 high achieving graduating Seniors and their Mentors in a special ceremony.

This Spring, the Board of Directors, also completed a very special project. Throughout the school year, the Board recognized all of the different groups of employees working for the Fremont Public Schools. This recognition included reading a special note from the group's administrator on our bi-monthly KHUB show, a posting on our Foundation Facebook page, and presenting each employee with a special treat attached to a thank you note, written by one of our Directors. The special recognition project was very well received and greatly appreciated!

As you read through the rest of the Cornerstone, I hope that you will see some things of interest that might prompt you to make contact with us to offer a donation, to ask questions, or make suggestions to help improve the educational opportunities within Fremont Public Schools!

Please feel free to reach out to us any time, and as always, "Go Tigers!" ★

Academic Achievement Celebrated by Honoring 46 FHS Students!

On Sunday, May 1, The Fremont Public Schools Foundation honored 46 seniors who would graduate with a 3.75 GPA or higher, and who completed the most academically rigorous curriculum the Fremont Public Schools have to offer.

During the celebration held at the Nell McPherson Theatre at Fremont High School, along with their family and special guests, the students were individually recognized and presented with a gift from the FPS Foundation. Another special feature of the celebration was the honoring of the FPS educators identified by these students as "Mentors". Each Mentor received a gift and special recognition as well.

Students with their Mentors who were honored at the celebration include:

The 6th annual Fremont Area "Big Give"!

Supporting our friends and neighbors was once again the focus of the Fremont Area "Big Give" with 70 area non-profits taking part in the annual 24-hour event that raised nearly \$400,000 from almost 2,000 individual gifts! We are truly blessed to be part of such a caring and giving community!

The Fremont Public School Foundation was an active participant again this year and we are proud to have received a record \$15,040.00 from over 90 individual donors! Part of this total included the Foundation winning an extra \$1,000 for receiving the most individual gifts between the hours of 6:00 AM and 8:00 AM – thanks in large part to the AWESOME FPS Staff members who contributed during this time! We also received an additional \$1,000 as a matching gift from an anonymous donor! Thanks also to Maggie Peters for submitting and winning one of the "Why I Give" awards for \$250, adding to our total!

These generous donations will be placed into the "Dual Credit Assistance" fund at the FPS Foundation, which helps students take Dual Credit classes through Metropolitan Community College, Midland University, or other post-secondary institutions. Awarding these tuition assistance scholarships to needy students continues to be one of the most impactful FPS Foundation programs! ★

Fremont Public Schools Foundation Board of Directors
Prepare for the Fremont Area BIG GIVE!

FPS Foundation Awards 2021/2022 Creative Teaching Grants!

Sixteen Fremont Public School teachers were awarded Creative Teaching Grants from the FPS Foundation in the 2021/2022 school year totaling almost \$7,000.00!

Each year since the 2009/2010 school year, the Fremont Public School Foundation has awarded Creative Teaching Grants to our teachers allowing them to create, design, or implement programs that promote student achievement, enhance the learning environment, or provide opportunities beyond the traditional classroom setting. The grant money may be applied to materials, training, equipment, or special programs. Over the past 13 years, your Foundation has provided more than \$68,000 to Fremont educators!

This year's Creative Teaching Grant recipients are:

Kelsi Bahe, Kindergarten Teacher at Bell Field Elementary, requested and received funds to improve the access to technology for students in Preschool, Kindergarten, and Special Education through the use of interactive white board applications.

Sadie Brown and Mandy Reilly, 3rd grade Teachers at Linden Elementary, each received funds to purchase STEM Bins to encourage students to create, invent, solve problems using real-world challenges and develop critical thinking skills. The STEM Bins provide an open-ended and developmentally appropriate foundation of engineering for elementary students. These STEM Bins can be used individually, in small groups, or in whole group exploration.

Dana Fontaine, Library Media Specialist at Fremont High School, requested and received the necessary funds to help create a student led news program for school announcements. This news program will be created in correlation with the FHS Journalism Teacher, David Stevens, and will allow students to create short news programs communicating school announcements while learning about video production.

Heather Gallagher, English Language Learning Teacher at Fremont Middle School, received funds to pay for a field trip for her class of Newcomers, to the Nebraska State Capitol to reinforce their learning about the three branches of our government.

Melissa Gates, Literacy Facilitator at Milliken Park Elementary, was awarded a grant to purchase Student Phonics Kits that help provide explicit multi-sensory practice for students who have decoding weaknesses. This allows an alternative hands-on way for students to learn to reach beyond just paper and pencil practice.

Kara Gilbert, Special Education Teacher at Fremont High School, received funds to provide unique and hands on individual learning opportunities to help students in her program reach their learning goals. The Work/Teach Boxes are a common instructional tool that can be used in classrooms to support academic grade level work.

Joe Hamilton, 3rd grade Teacher at Clarmar Elementary, requested and received the necessary funding to purchase enough grade appropriate books to host a book club for students. The goal of the book club is to be an educational and entertaining way to get students actively involved in reading.

Casie Larsen, Kindergarten Teacher at Milliken Park Elementary, received funding to purchase Osmo – Genius Starter Kits, Coding Games, and Cases. Osmo is a learning system that uses iPads, physical objects, and educational tools to keep kids engaged in learning and building their confidence through hands-on interaction and learning.

Julie Mann, Special Education Teacher at Fremont High School, was awarded funds to purchase a Cricut Maker to create an on-campus job site where her students can do such projects as: make crafts to sell, make bulletin boards and class posters/décor for teachers, make flyers and create projects for school activities. This provides an opportunity for her students to be highlighted in their school community while also gaining vocational experience.

Rebecca Nielsen, 1st grade Dual Language Teacher at Washington Elementary, requested and received the necessary funding to purchase children's literature to promote social emotional development skills and various brain tools that students can use during learning times that promote on-task learning behavior that will also encourage a less distracted learning environment.

Hannah Sederburg, 1st grade Teacher at Grant Elementary, received funding to purchase some expanded seating options for her students. These seating options include floor cushions, wobble chairs, balance balls and seat cushions.

Jess Sorensen, Special Education Teacher at the Pathfinder Program, was awarded funds to purchase materials to expand on the Work Box Task options for her students. These tasks include, sorting, putting on/in, building on, letter and number identification, fine motor skills, building words, cause and effect, matching, etc.

Kristy Voss, English / Language Arts Teacher at Fremont High School, requested and received funding to take approximately 100 student to attend a production at the Orpheum Theater in Omaha. This will allow students from all economic backgrounds the opportunity to attend a professional theatrical performance.

Michelle and Guy Whitman, 6th grade Teachers at Johnson Crossing Academic Center, received funding to purchase materials supporting STEAM projects for their classrooms. These projects will deliver high quality integration of Math, Science, Engineering, Technology, and the Arts in fun collaborative learning experiences.

Your Fremont Public Schools Foundation is proud of the quality of FPS teaching staff and their commitment to professional development, creativity, innovation, and the focus on improving student performance. The Foundation Board of Directors thanks everyone who remembers the Foundation with their memorial gifts so that we can continue to fund these grant programs! ★

A History of Helping Deserving Students

This year marks the 23rd year that the Alumni Student Aid Fund has provided financial assistance to deserving Fremont High School Graduates. Originally established by Fremont High School class of 1948 alumni, and led for many years by David Christensen, the Alumni Student Aid Fund continues to make it possible for qualified Fremont High School graduates to pursue higher education, having awarded approximately \$93,000 since its inception.

This year the Fund awarded scholarships totaling \$3,500 to Mallory Schleicher (a 2022 graduate) and Shane Miller (a 2021 graduate).

The program funds are now managed by the Fremont Area Community Foundation (FACF), and gifts to the program can be made directly to FACF, or to the Fremont Public School Foundation, which forwards all scholarship donations to the FACF. Those wishing to donate to the scholarship program may use the enclosed gift envelope, and designate the portion of the gift they wish to be placed in the scholarship fund. ★

Summer 2022 Tiger Tracks

Greetings to you from Beth Scott Svatora:

A quote from my grandmother that I'm sure many have heard, "the older you get the faster time goes", I will never forget her saying this and now realizing how right she was. Sometimes it would be nice if time would just slow down a bit.

As we go into the summer it is also reunion season for many classes, I have listed information for the reunions that I

was notified of. If your class is having a reunion please send me your reunion pictures so they can be added to the winter edition. Those can be sent direct to me through my Messenger or the FHS Alumni Facebook Messenger.

A reminder that we have added the option of giving a memorial to the Alumni Foundation if you would like to do that please send your memorial money to FPS Foundation, 130 E 9th St., Fremont NE 68025 stating who the memorial is for and note it goes to the Alumni Association.

As a follow up to the winter edition, I did donate several of the yearbooks that I was given from the high school journalism department to the Keene Memorial Library to help complete their set of yearbooks. If you are ever wanting to browse through yearbooks stop by the public library and take a look (2nd floor). These are not available for check out.

It's exciting to see our Alumni Facebook page growing. I am trying to find school photos to post, if you have any that you would like to share please send them to me, also if you have any news that should be shared please make me aware of that as well. If you have not "liked" our page yet, please do so to stay in the loop with alumni news. Fremont High School Alumni - NE

Wishing you all a fantastic summer! 🐾

Beth Scott Svatora '84

Thank you to all that have joined in conversation on our Alumni Facebook page. If you have things you'd like to share please feel free to post them or let me know and I'd be happy to add a post out there for you as well. 🐾

Demographics of our page:

We currently have almost 1,500 on our page with most of those in Nebraska, 8 in AZ, 1 in Japan, 1 in Denmark, 1 in the Philippines, 1 in the United Kingdom, 1 in Spain and 2 in Indonesia.

Most on the page are women in the age bracket of 55-64 followed by women 45-54. So come on men "like" the page and catch up to the women! Stay connected with your fellow FHS Alumni! 🐾

We do have some new admins in classreport. If you choose to be an Admin for your class in classreport.org please contact me so I can add you to the class contacts published in Tiger Tracks. fhsnealum@gmail.com

What is classreport.org? -- Classreport is for all Alumni it is a dynamic database where classmates can add their own demographics, view located, missing or deceased classmates.

For admins/committees it can be used to help plan class reunions and keep track of classmates contact information. There are several reports that can be ran which include: missing (no contact info), located, and deceased classmates. There is the capability to print mailing labels, name badges and memory books to name a few. Once all classmates have been added it is great to have each classmate keep their own contact information up to date.

My committee uses this to plan our class reunions and we love it. 🐾
